About Your 4-day Cozumel Cruise
On Carnival's INSPIRATION

by Sherman Cook and Fred Tutwiler

The UNOFFICIAL guide to making the absolute most out of your 4-day cruise to Cozumel, Mexico aboard Carnival's mega-ship, *The Inspiration*.

This book is not approved, supported, contributed to or promoted by Carnival Cruise Lines and/or their corporate or subsidiary businesses and organizations. We do run it by some Carnival folks to make sure our info is accurate, but they don't have any control over, or responsibility for, what we say or don't say. We like them, we think they do a great job at cruising, we've spent HUNDREDS of wonderful days on their ships and we'll continue to do that for many years to come. But, this is our point of view, our suggestions and our opinions about everything unless we specifically attribute the information to another source.
